Hemlock Inn

Blowing Rock, North Carolina

A Blowing Rock Tradition

The historic Hemlock Inn, set just off Main Street in downtown Blowing Rock, is easy walking distance to many of the high country's activities and attractions of all seasons. For over a century the Village of Blowing Rock has provided a cool mountain retreat for the discerning people to enjoy all year long. Rustic cedar sided cottages, upscale shops, fine dining and family entertainment create an ambiance that makes Blowing Rock the ideal location for that special getaway vacation. The Hemlock Inn is the perfect place to enjoy cool mountain breezes and tranquil evenings in Blowing Rock.

Hemlock Inn provides a central village location, where you can be a part of all that the charming town of Blowing Rock has to offer. The original structure of this lovely Inn was built over an artesian spring regarded as the New River in 1863.

Hemlock Inn offers economy, standard and premium rooms all equipped with private bath, coffee maker, refrigerator, TV and HVAC. All rooms are equipped with a router to maximize connectivity and privacy to WiFi. Our safety and security procedures insure all comfortable and enjoyable experience to all. Advanced reservations are requested.

At the *Hemlock Inn* you'll find 18 uniquely designed and decorated rooms, including suites with fully equipped kitchens. All rooms are non-smoking and no pets. Rooms feature private baths, cable TV, HVAC, phone, microwaves, refrigerator and WiFi. We are open year-round for your mountain adventure.

Hemlock Inn is within easy driving distance to many exciting and historical attractions of the High Country, such as Grandfather Mtn, The Blowing Rock and Tweetsie Railroad. Other exciting activities near Hemlock Inn are white water rafting, gem mining, horseback riding, fishing, golf, and much more.

Hemlock Inn is located in downtown Blowing Rock just off the Blue Ridge Parkway. An unhurried drive on the scenic Blue Ridge Parkway will reveal beautiful mountain vistas. We hope you choose us to visit on your mountain adventure.

Peak season is May first through October thirty-first.
